

BENNY

the BIT

AN ORIGINAL

ULTERRA STORY

**BENNY THE BIT IS LOOKING FOR OIL.
LITTLE DID HE KNOW,
IT'S DEEP DOWN IN THE SOIL.**

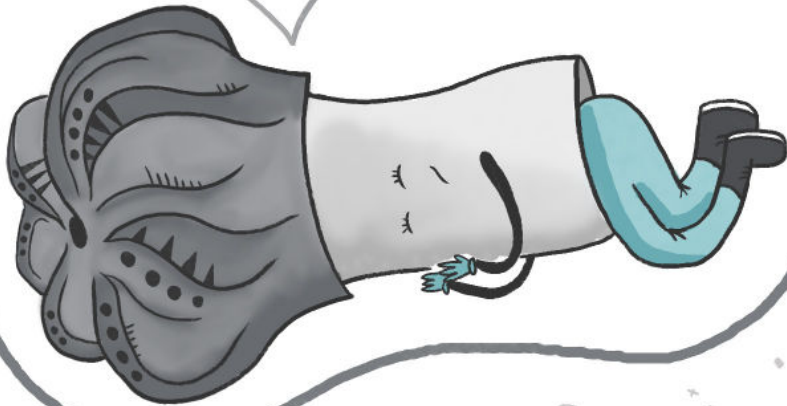

**“ONCE I GET TO THE OIL,
I CAN GET GAS FOR THE CAR.
I WANT TO START NOW SO I
CAN DIG VERY FAR.”**

**BENNY DUG AND DUG UNTIL
HE COULD NOT ANY MORE.
HE FELL SOUND ASLEEP,
AND STARTED TO SNORE.**

HE STARTED TO SEE THE OIL SEEP UP...

**BUT IT SEEMED, THE DRILLING SUCCESS
WAS JUST IN HIS DREAMS.**

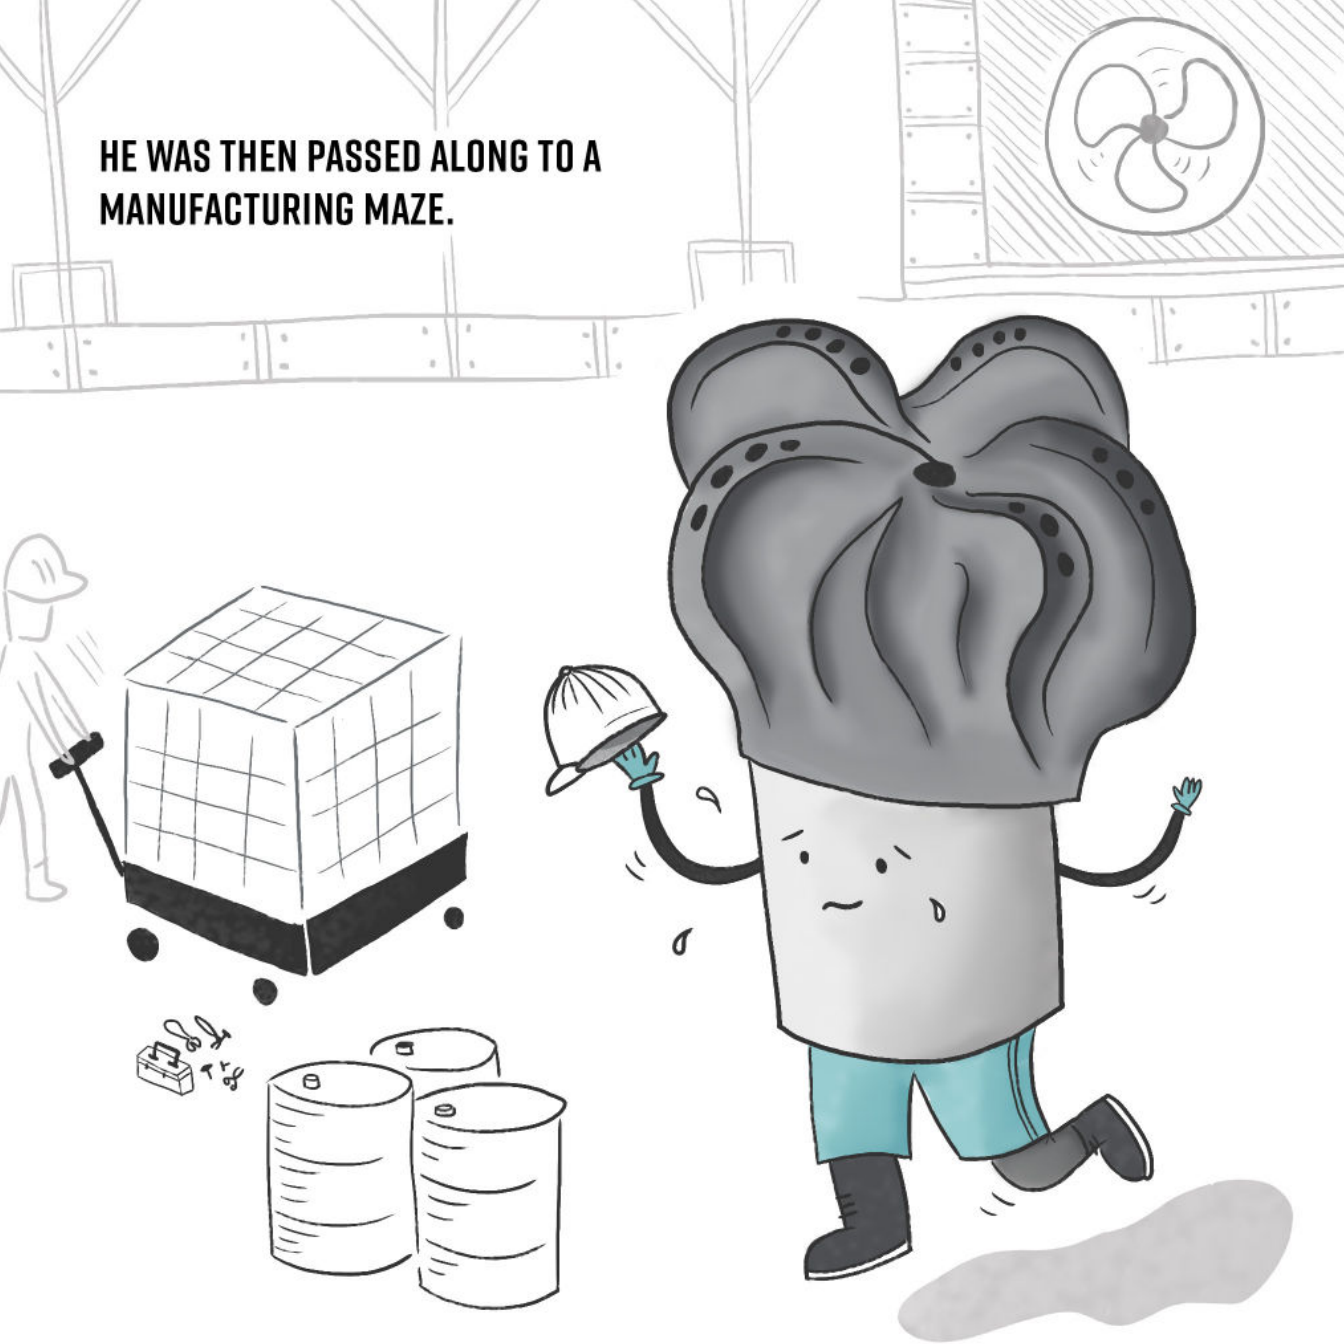

**HE WOKE UP QUICKLY WITH A THOUGHT IN HIS MIND,
"I KNOW WHAT I NEED – A NEW DRILL BIT DESIGN!"**

**OFF BENNY WENT TO HIS
FAVORITE ENGINEER, A VERY
SMART MAN THAT COULD HELP
HIM STEER.**

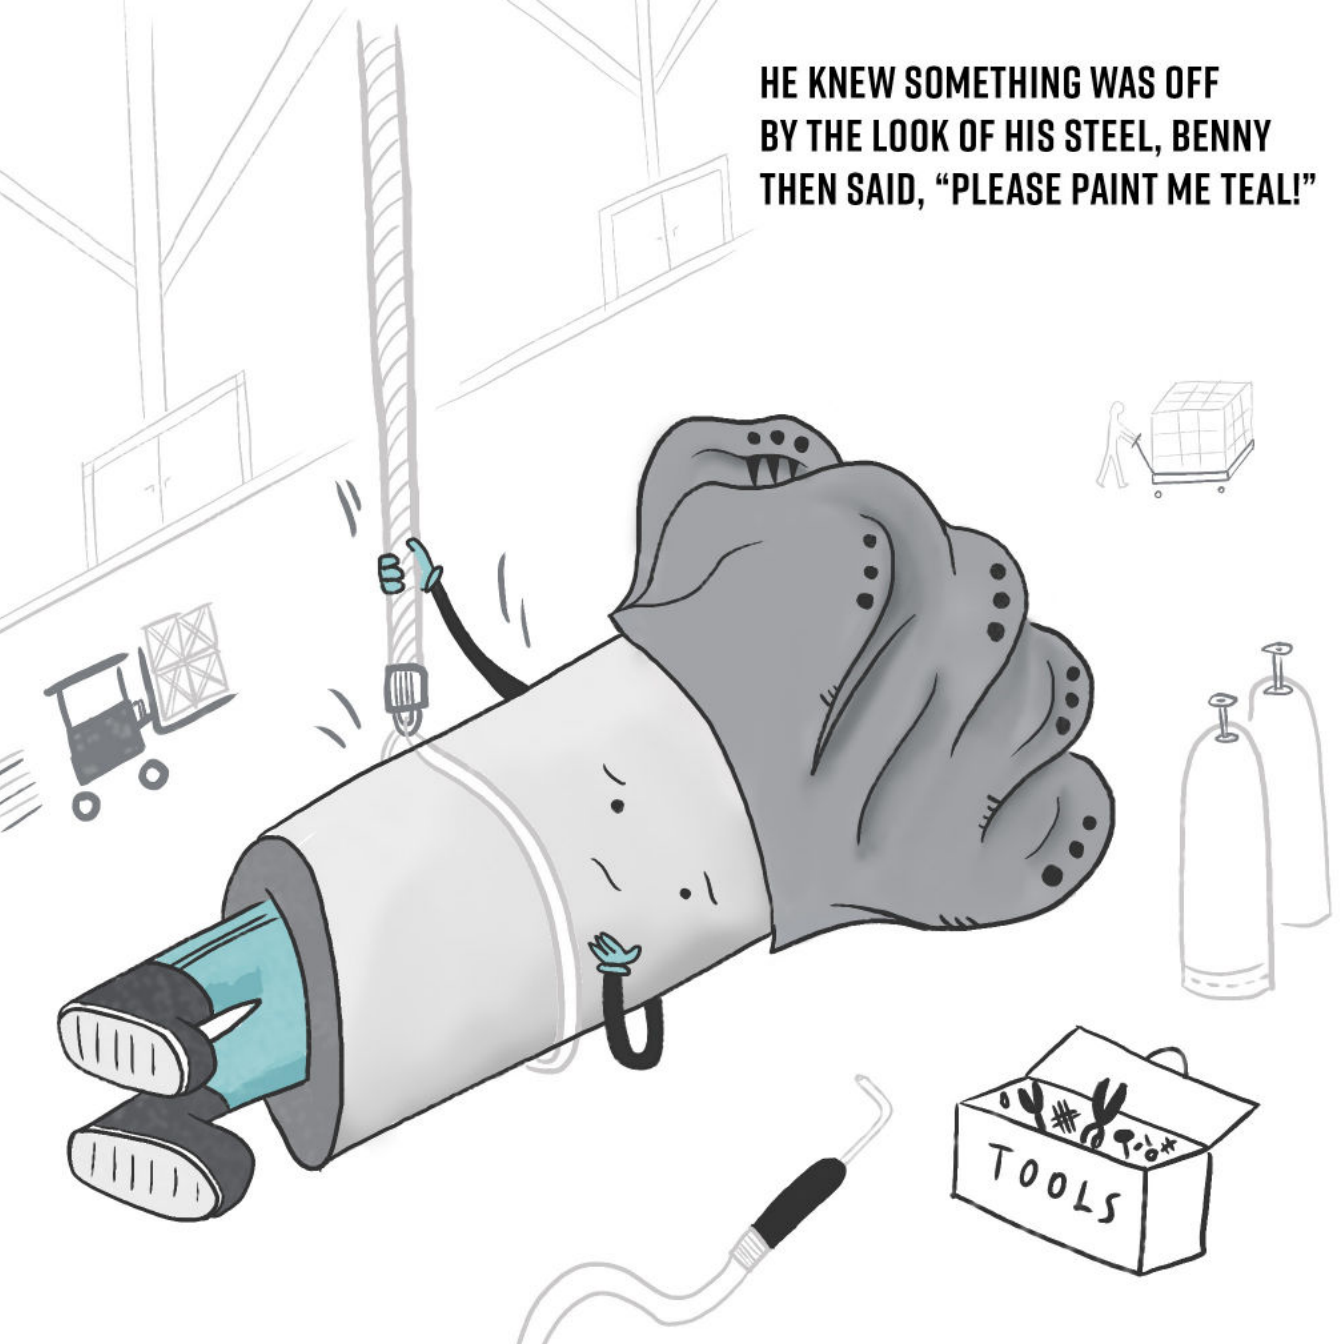

HE WAS THEN PASSED ALONG TO A
MANUFACTURING MAZE.

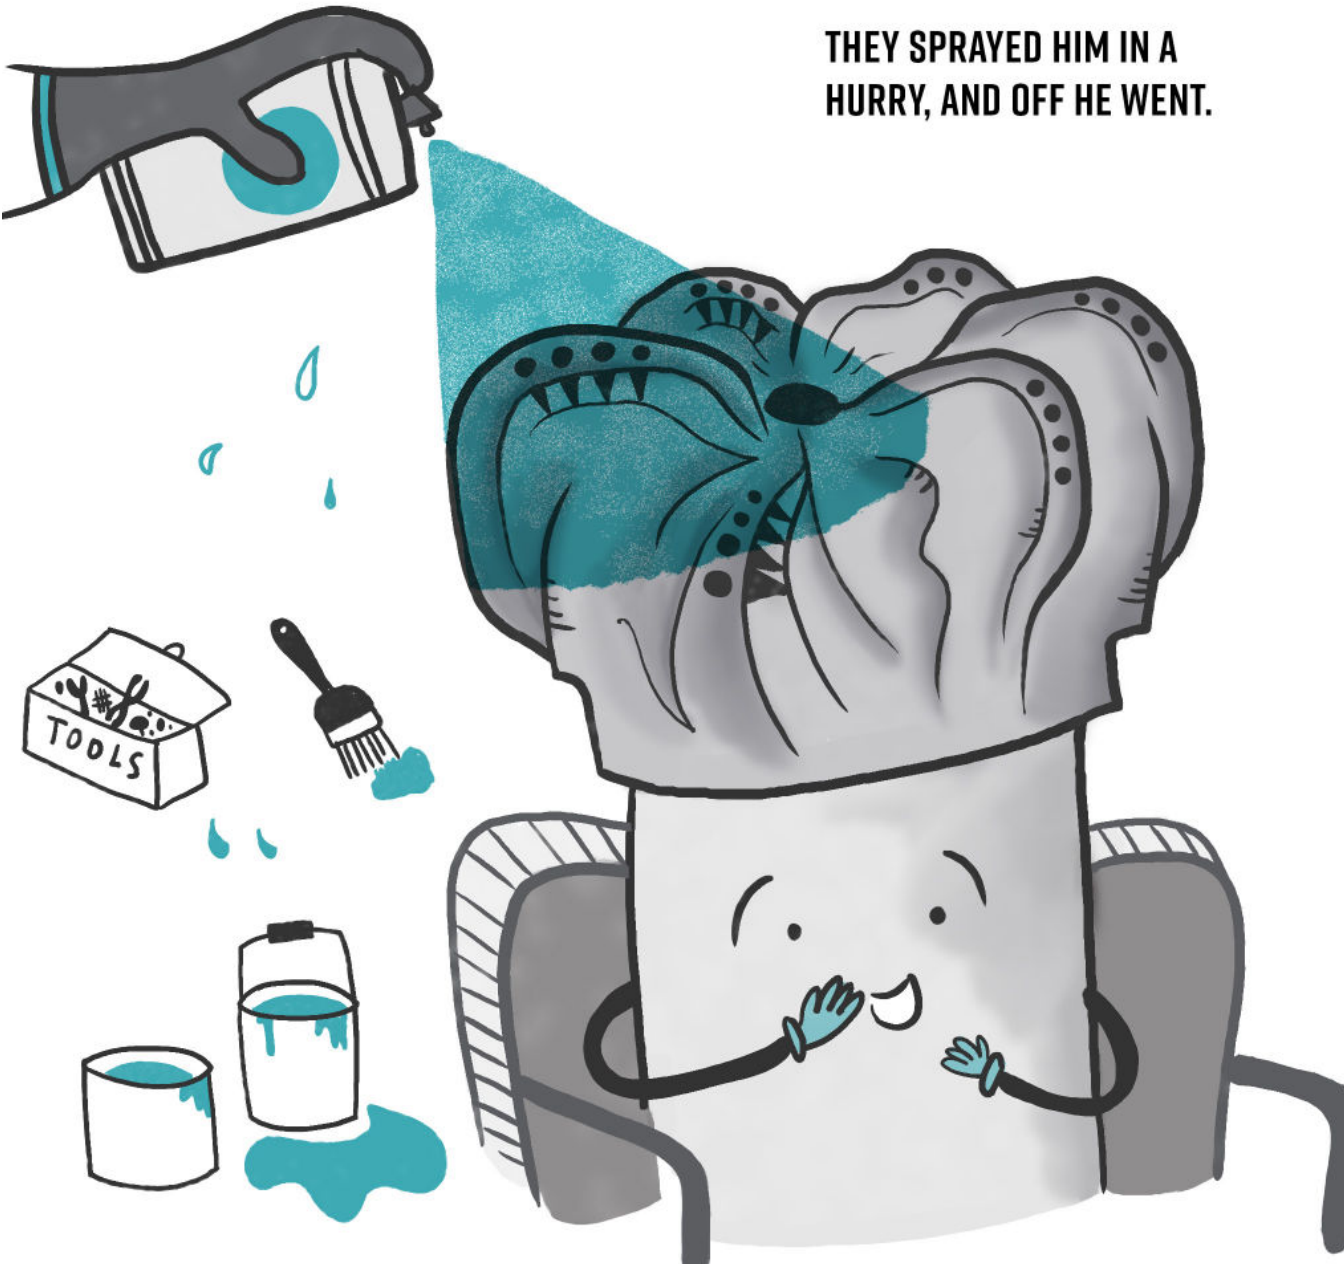

**WHERE HE WAS PREPPED,
HEATED, POLISHED, AND BRAZED.**

HE KNEW SOMETHING WAS OFF
BY THE LOOK OF HIS STEEL, BENNY
THEN SAID, "PLEASE PAINT ME TEAL!"

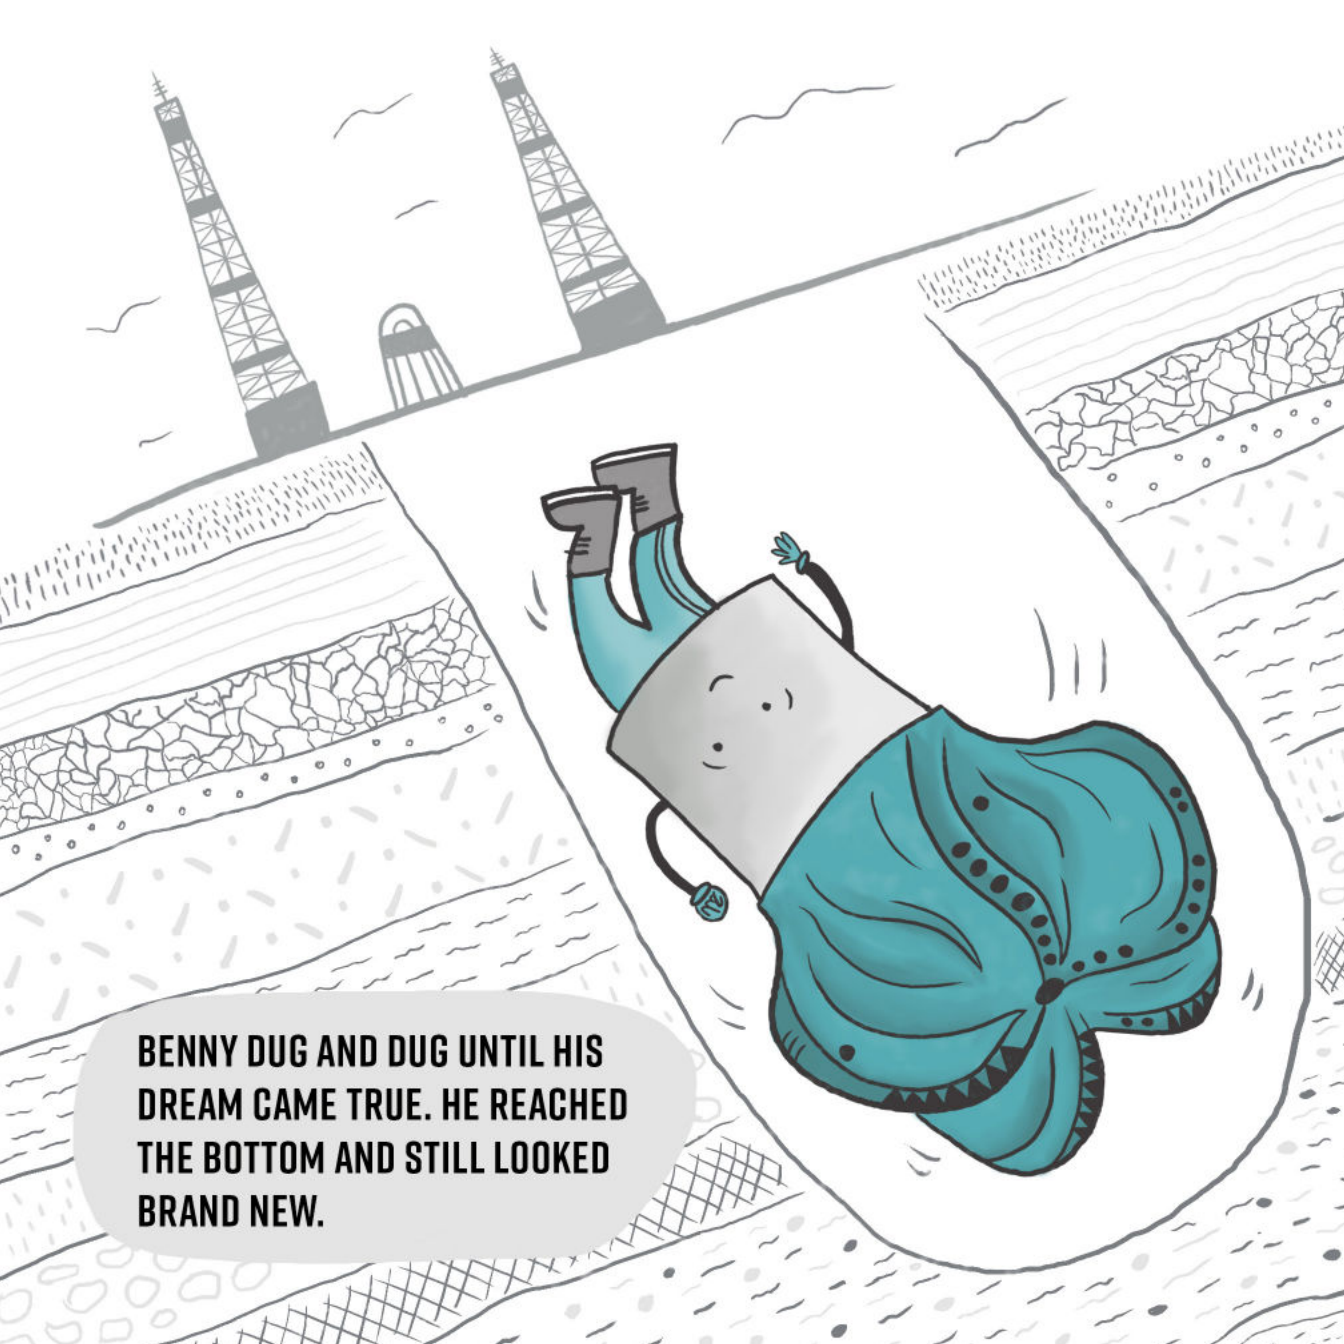

THEY SPRAYED HIM IN A HURRY, AND OFF HE WENT.

**BACK TO HIS WELL, BUT
WITH A FASTER DESCENT.**

BENNY DUG AND DUG UNTIL HIS DREAM CAME TRUE. HE REACHED THE BOTTOM AND STILL LOOKED BRAND NEW.
